MOS

DESIGN GAMFRATESI, 2020

MOS ist eine Familie von Möbeln bestehend aus seiner Bank, zwei Lagereinheiten, und Beistelltisch den auch als Nachttisch verwendet werden kann.

Die Hülle aus Wiener Geflecht verbirgt die Regale aus offenporigem, lackiertem Eschefurnier: zwei für die Bank und den Beistelltisch, drei für die Konsole und vier für das Bücherregal.

Die aus gebogenem Buchenholz Struktur ist schwarz lackiert oder Natur gebeizt und wird von Messingsfüßen gestützt.

MOS è una famiglia di arredi composta da una panca, due mobili contenitori ed un tavolino utilizzabile anche come comodino. Ogni elemento è caratterizzato da un guscio in paglia di Vienna che cela i piani in legno di frassino impiallacciato verniciato a poro aperto: due per panca e tavolino, tre per la consolle e quattro per la libreria. La struttura in legno di faggio curvato laccato nero o in naturale è sostenuta dai piedi con puntali in ottone.

MOS is a family of furnishings made up of one bench, two storage units and a side table, which can also be used as a bedside table. The woven cane shell conceals the open pore painted wooden tops in ash veneer: one for the bench and side table, three for the console and four for the bookcase. The frame in natural stained or black lacquered bent beech wood is supported by brass feet.

MOS est une famille de meubles composée de un banc, deux éléments de rangement et une table basse qui peut également être utilisée comme table de chevet.

La coque en paille de Vienne cache les plateaux en bois en plaqué frêne teinté à pores ouverts: deux pour le banc et la table basse, trois pour la console et quatre pour la bibliothèque.

La structure en bois de hêtre courbé laqué noir ou teintée naturel est soutenue par les pieds en laiton.
