TAMOTO BED

DESIGN BY SHANE SCHNEK, 2022

Developed for HAY by Shane Schneck, Tamoto Bed is designed with multifunctionality in mind, which makes it easy and intuitive to integrate into a modern lifestyle. Tamoto is influenced by the draping quality of kimono sleeves, which inspired Shane's innovative use of folding fabric over the bed's frame.
The soft, draped headboard is counterbalanced by the generously dimensioned steel tubing frame, creating a contemporary and comfortable bed-sofa hybrid that is not intended exclusively for sleeping, but also as a foundation for reading, working, or watching TV and other activities. With a flat-packed, easy-to-assemble design, removable headboard cover and recyclable materials, functionality has been factored in every step of the design process. Available in a variety of sizes and selected soft textiles, Tamoto is a versatile bed that fits most size bedroom and design styles. HAY recommends using Standard Bed Slats and Standard Mattresses with Tamoto Bed for the optimal complete solution.

HIGHLIGHTS

- Versatile and multifunctional bed that fits most size bedroom and design styles
- Functional, flat-packed, and easy to assemble.
- Available in a variety of sizes and selected soft textiles.
- Removable headboard cover
- HAY recommends using Standard Bed Slats and Standard Mattresses with Tamoto Bed for the optimal complete solution.
- Suitable for a wide variety of private and public environments.

STANDARD MATTRESS

PRODUCT FACT SHEET

HAY

10.06.2022

STANDARD MATTRESS

DESIGN BY HAY, 2022

The Standard Mattress is a series of comfortable and durable polyurethane foam mattresses designed for use with HAY beds. The mattresses are available in different firmness options, depending on the user's preference, with the core either made with strong support foam or soft support foam, while both variants featuring a layer of memory foam quilting on the top. All the mattresses are OEKO-TEX® certified and are available in different sizes to fit the various bed models.

HIGHLIGHTS

- A comfortable and durable polyurethane foam mattress.
- The mattress has a memory foam top.
- Available in different sizes and firmness options – Medium and Firm.
- Certified with STANDARD 100 by OEKO-TEX®.
- Vacuum roll-packed for easy handling and transport.
- Fits the various HAY beds in combination with HAY Standard Bed Slats.
- Suitable for a wide variety of private and public environment.
