Melt Mega Pendant System

Bronze Polished Polycarbonate

The Melt Mega Pendant System features six medium Melt shades and five small Melt shades. The Melt collection features an avant-garde design that undergoes a mesmerising optical transformation, shifting from a hyper-reflective mirror finish when off to a translucent, hot-blown glass effect with a rich depth when illuminated. Made in Germany using high-tech manufacturing, this striking series pairs cutting-edge engineering with organic form to manipulate light and reflection, creating a dramatic focal point.
