**Please follow steps 1-6  
to change the cover of  
the product.**

### **Step 1 / 6**

---

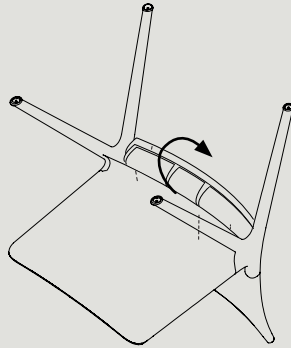

Turn the chair upside down  
and open the zipper on the  
underside of the seat.

### **Step 2 / 6**

---

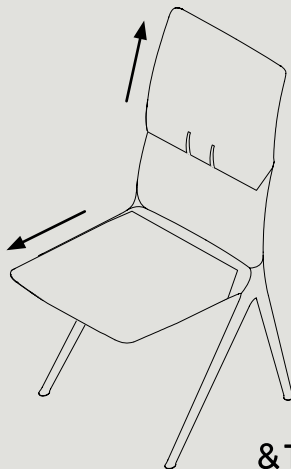

Separate the two material tabs  
(seat and backrest) from the  
Velcro.

### **Step 3 / 6**

---

Turn the chair upright and  
gently pull off the seat and  
backrest covers.

#### Step 4 / 6

---

Place the new covers on the chair and gently but firmly pull them over the frame. Make sure the cover is firmly attached.

The two tabs with Velcro should be pushed through the gap between seat and backrest.

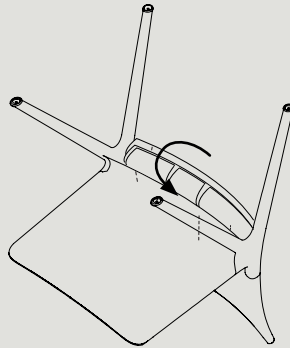

**Note: The part with the zipper head is the seat cover.**

#### Step 5 / 6

---

Turn the chair upside down and attach the two tabs (seat and backrest) to the Velcro. Apply some pressure to stretch the covers when attaching the tabs.

#### Step 6 / 6

---

Re-attach the zipper and turn the chair upright.
