Product description

Outdoor coffee table

Environment

Outdoor

Material

Powder-coated steel.

Production process

The legs are bent into shape and then welded together. The caps are welded onto the end of each leg. The tabletop is spun from a metal sheet then screwed together and sound dampening tape is added. Both pieces are then galvanised and powder-coated.

Finishes

Warm Black
Bronze Green
Ivory

Dimensions

Ø: 70 cm / 27.6 in
H: 37 cm / 14.6 in

Weight

12.08 kg

Strength, durability and safety testing

EN 15372
EN 581-3

Certifications

Gliders

Plastic gliders

Impact

- Flat-packed, helping optimise shipping and delivery.
- Framed in solid, power coated steel, highly resistant against corrosion, helping prolong its lifespan.
- Steel is highly recyclable, able to be repurposed in another production cycle, reducing the demand for new material.
- Designed for circularity, making it easier to repair, renovate, pass on, and responsibly recycle at end of life.”

Manufacturer

Produced in PRC by Nine United Limited

Product description

Outdoor coffee table

Environment

Outdoor

Material

Powder-coated steel.

Production process

The legs are bent as well as the small crossbar underneath. The foot piece is milled and the tabletop is spun from a metal sheet then screwed together and sound dampening tape is added. Both pieces are then galvanised and powder coated.

Finishes

Warm Black
Bronze Green
Ivory

Dimensions

Ø: 115 cm / 45.3 in
