NEOTENIC SMALL

DESIGNER: JUMBO	YEAR: 2022
2 YEARS WARRANTY	MATERIAL: CERAMIC, GLASS

The Neotenic lamp is the fruit of Petite Friture's first ever collaboration with design studio Jumbo. The collection's generous rounded shapes echo the comfort of childhood memories. The designer's intention with this collection was to trigger emotion and create physical bond between the object and its holder.

The lamps hand-blow glass conveys a soft, opaline feel that enhances the meanders of the ceramic gives off. Available in two sizes, the Neotenic lamp is a chunky piece that has entered Petite Friture's playground of unconventional collections.
