

Cluster Canopy

— Muuto

Designed by	Muuto
Environment	Indoor
Country of Production	China
Preassembled	Yes
Description	Cluster Canopy offers a refined foundation for creating expansive pendant lighting compositions using Muuto's smaller lamps, including E27, Rime, Ambit, and Top. Designed to support both geometric and more organic arrangements, it enables expressive lighting landscapes while maintaining a clean and balanced ceiling presence. Available with 7 or 19 holes, the canopy allows for varied configurations.
Material	The canopy is made from injection-moulded ABS with steel brackets. The cross bracket is fitted with a hinge, allowing the canopy to be opened, adjusted, and closed to facilitate installation and adjustment of the lamp lengths. The canopy is equipped with a strain relief and a connecting terminal. The cord is included. For the US variant, the canopy is made using 50% post-consumer recycled ABS.
Cleaning & Care	The lamp should be cleaned with a soft, dry cloth. The electricity supply should always be switched off before cleaning.
Additional Information	For the Cluster Canopy Ø44 cm, the distance between the holes is 15,9 cm. For the Cluster Canopy Ø76 cm, the hole distance is 15,9 cm on the inner ring and 16,5 cm on the outer ring.
